Our club is only successful if we have the assistance of our members. We need each member's commitment to work two or more days during the Spring and/or Fall Hunt Tests and to assist with training nights and other club events. Remember, our club's income is derived from two main sources, membership dues and Hunt Tests, the majority of which comes from Hunt Test profits. In order to continue to offer Wednesday night trainings and other member benefits, we need to have profitable Hunt Tests. If you intend to participate in Wednesday night training or other club sponsored events, you will be expected to help at the Hunt Tests.

2010 Spring Hunt Test Dates are June 5-6. 2010 Fall Hunt Test Dates are August 28-29
